Docket No. 2017-370-E**

Dear Ms. Boyd:

By letter dated January 18, 2019, and in compliance with Public Service Commission of South Carolina ("Commission") Order No. 2018-804, South Carolina Electric & Gas Company ("SCE&G" or "Company") filed a Revised and Updated Construction Expenditure schedule reflecting the removal of certain costs from the Owners Cost Category. On January 22, 2019, the South Carolina Office of Regulatory informed SCE&G of a typographical error contained in the letter. More specifically, in paragraph 2, the amount of \$6,663,117 should have been stated as \$6,663,177. The purpose of this letter is to inform the Commission of the typographical error and that no other corrections are required of the January 18, 2019 filing.

If you have any questions, please advise.

Very truly yours,

K. Chad Burgess
